

I remember the time when I used to work in Hong Kong. (None, Reminiscence, Self-disclosure)

I should understand his/her situation. Let me ask him/her about his time working in Hong Kong.

Did you enjoy the time being there? (None, Inquiry, Question)

Not really. I was a waiter and life was hard at that time. (Sadness, Reminiscence, Self-disclosure)

his/her mind and expression.

Oh, I understand you. I thought you were a teacher then! Anyway, do you think teacher is better compared with waiter? (Surprise, Reminiscence, Question)

I should comfort his/her and ask her more questions to stimulate

I cannot decide. I guess teacher is better. (None, Expression, Selfdisclosure)
